PROPOSAL TO ENTER PLACES IN, AND REMOVE PLACES FROM, THE LOCAL HERITAGE REGISTER

Notice is given under section 117 of the *Queensland Heritage Act 1992*, that the Lockyer Valley Regional Council proposes to:

1. Enter the places listed in Table 1 into the Local Heritage Register; and
2. Remove the places listed in Table 2 from the Local Heritage Register.

Council also proposes to change the citations of the places being retained on the Local Heritage Register.

Places proposed to be added to the Local Heritage Register were found to demonstrate local cultural heritage significance and meet at least one of the criteria of Queensland Government’s *Guideline: Identifying and Assessing Places of Local Cultural Heritage Significance in Queensland (2020)*.

Places proposed to be removed from the Local Heritage Register are those where local heritage cultural significance could not be demonstrated to the level required to warrant retention in the Register. Further research of these places may be undertaken in the future.

Written submissions on the proposed changes to the Register can be made to Council as follows:

- Submissions must be received by Council **on or before 8 August 2025**.
- A submission must be made on the basis that the place is or is not a place of cultural heritage significance for the local government’s area and include supporting evidence such as referenced history, photographs or expert reports.
- Submissions will also be accepted in relation to any errors or inaccuracies in the heritage citations.
- Submissions are to be lodged:
 - by post to the Chief Executive Officer, Lockyer Valley Regional Council, PO Box 26, Gatton Qld 4343;
 - by email to heritge@lvrc.qld.gov.au; or
 - in person at Council’s Customer Contact Centres at 26 Railway Street, Gatton or 6 Spicer Street, Laidley.
